

# Welcome to Early Learners

# Welcome To Early Learners (Ones and Twos)

Welcome to the Toddler Program at FMCP. This program will support your child's growth by providing an interactive setting where language skills expand rapidly. We are proud of our toddler program and the exemplary care each child receives.

## **Reggio Curriculum**

FMCP is a Reggio-Inspired learning community. The Reggio-Inspired Approach focuses on student-centered constructivism that allows the children to have self-directed, experiential learning in a safe, natural environment. We meet or exceed the state and licensing requirements for our A+ accreditation. Here at FMCP, we realize that children form their personalities at an early age and learn to express their ideas in various ways. We strive to allow the children to learn through exploration and discovery while learning and following the principles of respect, responsibility, and community. At FMCP, we encourage children to play and explore in nature. Children will often come home with dirty clothes from immersive play.

## **Sign in and Out**

Please remember to sign your child in and out every day by scanning the code at the school's entrance or by the classroom's doors. We will be more than glad to help you if you need assistance. All children must be signed in for the day by 9am.

## **Sanitation**

At FMCP, we know the importance of a safe and sanitary environment for our children. Classroom toys and equipment are sanitized daily with a bleach water solution. Once a toy goes into a child's mouth, it is sanitized before another child uses it. Our changing table is sanitized after each use, and we practice good hand washing techniques. You will find our toddler room is always clean and well organized.

### **Cubbies and Communication**

Please remember to check cubbies and your child's Brightwheel **daily**. We strive for consistency between school and at-home practices. Please feel comfortable at any time to share information with our teachers about your child's development or any concerns you may have. Each day we prepare an informative report via Brightwheel, listing all information regarding feeding, napping, diapering, and what your child especially learned and enjoyed that day. These have proven very helpful to our families.

### **Talk To Us!**

We hope to build a relationship with each of our families. Please do not hesitate to talk to us if you have any questions. We look forward to working with you and your child this coming school year, and we are very excited about helping your child learn and grow.

Thank You,  
Your Teachers and FMCP Staff

# Supply List 2025-2026
